ABOUT US

Welcome to AEON 2025, Mahindra University's Flagship Tech-Fest, where innovation meets excellence. As a premier platform for technology, creativity, and problem-solving, AEON brings together the brightest students, industry leaders, and researchers to collaborate, compete, and push boundaries.

Designed to inspire the next generation of innovators, AEON features cutting-edge competitions, interactive workshops, and thought-provoking discussions across diverse fields like AI, Blockchain, Quantum Computing, Aerospace, Robotics, and Sustainability. More than just a fest, AEON fosters a culture of learning, exploration, and real-world impact.

Join us in shaping the future—where ideas take flight, technology transforms, and possibilities are limitless.
